COIN COUNTER AND SORTER

FAST AND RELIABLE WITH LARGE HOPPER CAPACITY

The hopper capacity of up to 1.000 coins and a counting speed of up to 500 coins per minute makes counting your cash drawer done fast. And there is no need to sort your coins in advance; The 1450 will handle this for you with precision. And imagine the contact of coins on daily base with the coin transport assembly. As it's made out of solide metal it ensures a smooth reliable counting flow and long durability. The coin cups are provided with a sound damping material. This will reduce the sound to a minimum.
